

LeXT Robo Academy

Bring STEM to life with hands-on learning

Robotics Science Technology Engineering Mathematics Physics Coding Camp Afterschool

About us

LeXT Robo Academy uses  **education** concept and curriculum to provide a hands-on learning experience and fun environment for our students while developing their skills in science, technology, engineering, and mathematics.

Our Lego robot construction program covers all age groups from pre-schools to 12-grade students. 6 to 1 ratio of teacher and students in the regular class.

Girl Scouts: Will get a medal after attended class.

Equip your child key STEM principles in preparation for an ever-changing digital world!

We host birthday parties and other events!!!!
